

S.I. Plan 2016 / 2019 – actions to maintain or improve.

Teaching

- We need to improve spelling standards and reach national standards at KS2 and be closer at KS1.
- We need to embed grammar programmes and improve scores to reach national standards at KS2 and be closer at KS1.
- Dialogic teaching will be extended across school and it's impact monitored for writing and science.
- Embed new appraisal system.

Achievement

- We need to equip pupils in KS2U with the speed and confidence to tackle the more challenging aspects of tests.
- 'We need to revisit KPI/ARE in reading and maths and identify those areas that post most challenge to EAL pupils.
- Fact finding' activity and quality assurance team to analyse achievement of different groups especially boys / P.P.
- The Early Years team will analyse impact of 'dramatization' of curriculum.

Safeguarding

- Safeguarding 'leads' to liaise with NSPCC to deliver workshops on modern day risks to pupil safety.
- Continue to monitor impact of Core Therapeutics – see SEND SIP.

Leadership

- School to continue to support staff on NPQML/NPQSL courses or similar.
- Governors to receive more training to enhance their strategic role through G.E.L.
- Headteacher and Governors to extend relationship with other schools e.g. for moderation of standards.
- School Business Manager to complete diploma – Level 4 School Business Management.
