

Year 4

What factors have influenced people's decision to settle in Beeston over time?

Useful books

Key knowledge - five facts

I can explain the difference between urban and rural areas.

I can talk about push and pull factors that influenced people settling in Beeston.

I know when Beeston became a settlement and why people moved here.

I know how the use of land in Beeston has changed, including coal mines, farming and Bone Lace mills.

I know that Beeston was originally a small mining village.

Key vocabulary

Rural

An area of countryside rather than town.

Urban

A place like a town or a city.

Settlement

A place people establish a community

Push factor

Something that makes someone want to leave a place.

Pull factor

Something that attracts people to want to live in a place or a city.

Coal mining

Extracting coal from the ground.
