

Year 1

Let's celebrate
man on the moon

I know that Neil
Armstrong was the
first man on the moon
in 1969.

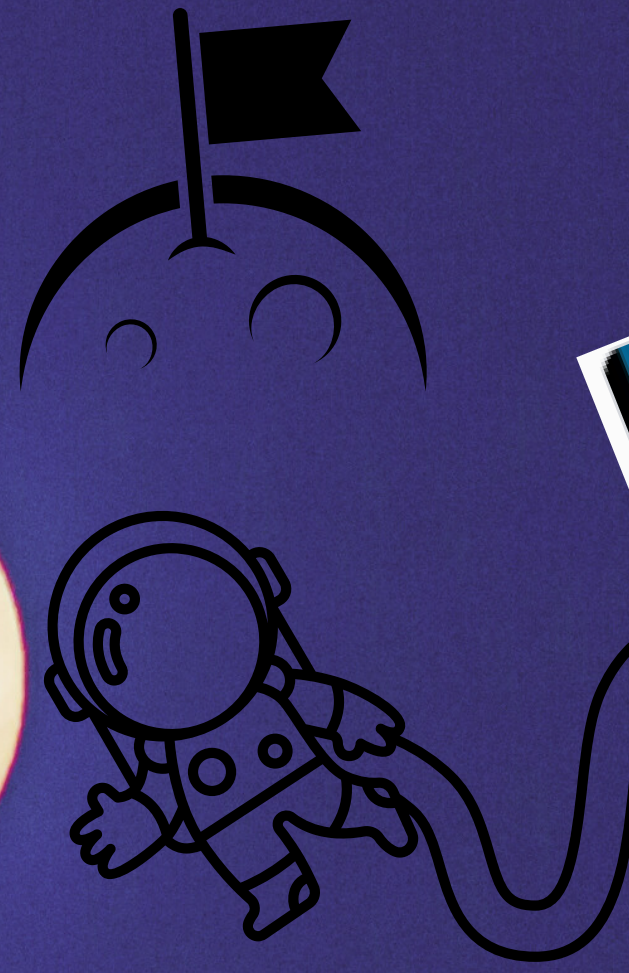

Key
knowledge - five facts

I know that Mae
Jemison was the first
black woman in space
in 1992.

I can talk about the
race to be the first
country into space.

I know that the Apollo
11 mission was to walk
on the moon and return
to Earth.

I know that the world
celebrated Neil and
Buzz Aldrin with
street parties and
parades.
