

**Class:** 3 Coles & 3 Mota      **Teachers:** Mrs McGuire & Mr Wilson

**Term:** Summer 2      **Topic:** Moving on up

### Literacy

We will be using the text Flood to write diaries as a character and write a short narrative. Then we will use The Gardener to write a letter using the different features you would find such as address and formal language.

### Maths

Our first focus is on adding, subtracting and finding change with money. Then we will be telling the time on clocks and recognising time facts. Next we will explore angles and lines found in shapes. Finally we will read a variety of tables and charts.

### Geography

Our big question in geography this half term is 'How sustainable are our food habits?'. We will look at where the food we eat has come from, both locally and around the world. We will focus on an important part of local farming, The Rhubarb Triangle. Next, we will compare our climate and growing environment to a region in France and see how different crops and livestock are kept there. Finally, we will look into air-miles and suggest ways that we could make our eating habits more environmentally friendly.

### Science

Our science topic this half term is 'Animals including humans' with a focus on skeleton and muscles. We start by looking at nutrition that animals and humans need, followed by recognising bone groups and how they work alongside muscles to move.

### DT

We will be using a computer aided designer to create a gift box. We will look at nets of different cube and cuboid shapes before using an app on the tablets to design a box that could fit a small gift inside of it, before joining together.

### PE

Friday—Athletics

Please remember to wear the correct PE kit: white t-shirt, black shorts, leggings or joggy-bottoms, a Greenmount hoody.

### Books we will look at

Flood by Alvaro F Villa  
The Gardner by Sarah Stewart  
Mr Penguin and The Catastrophic Cruise by Alex T Smith  
The Great Food Bank Heist by Onjali Q Rauf  
Billy and The Minpins by Roald Dahl  
A New Home For A Pirate

### Reminders

Please remind children to bring their bookbags everyday.  
Last day of term Friday 19th July
